New Visitation Rules

EFFECTIVE IMMEDIATELY AND BY VIRTUE OF THE NEW YORK STATE DEPARTMENT OF HEALTH

VISITATION RULES

• In order to prevent further entry of the Coronavirus (COVID-19) into Wyckoff’s patient care areas, all visitation is suspended.

• Exceptions:
  
  o Labor & Delivery Unit – One designated adult can accompany patients admitted for labor.

  o When medically necessary, with written permission from the patient’s physician. One adult visitor allowed.

  o Patients with end-of-life situations. Two visitors allowed, one at a time.

  o One parent of a child who comes to our Pediatric Emergency Department, who is admitted to our Pediatric Inpatient Unit, or a newborn who is admitted to our Neonatal Unit.

• Visitors who meet the exceptions above:

  o Will be screened for a history of exposure to COVID-19 and for signs and symptoms of COVID-19 infection.

  o Will wear a procedural mask at all times.

  o Will stay in the patient’s room during the visit.
